

Turn to your neighbour, and tell them...

The process... (well, sort of)

Benefits of this kind of approach

1) What comes to mind when you hear **first-contact evangelism**?

A letter

- It can work with few or many

2) How you would feel about having to knock on a stranger's door?

A conversation

- Its regular

The problem we face...

- Its transferrable

= first contact evangelism

- Its representative

Presuppositions about evangelism

A card

What to expect... (well, sort of)

Its...

- 
- 
- 
- 

Our context (Becontree) = door to door
