

Bringing together **planters** and **training**
in London, the UK and beyond

Who's it for?

Potential planters and revitalisers

Exploring the possibility

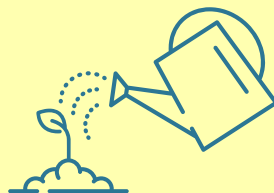

Preparing to plant or revitalise

Looking for equipping

Post-launch planters and revitalisers

Encouragement for the first years

What is it?

A one stop shop

The Planting Academy brings together a curated suite of training offerings from different evangelical networks and institutions. Planters benefit from different approaches and insights; different modes and intensities of delivery; and different levels and types of training to **plug the gaps**, deepen understanding and sharpen skills.

The Courses

CO-MISSION:
PLANTING
TRAINING

Planting specifics

Biblical, practical, road-tested expertise in urban church design and leadership, for those exploring, planning or in the first 3 years of planting or revitalisation. Fortnightly, Wednesday mornings

CO-MISSION:

BI-VOCATIONAL
CHURCH PLANTER
TRAINING

Key skills in church planting. Training webinar tailored to bi-vocational planters and those exploring church planting. First Monday evening of each month

*Foundations of church planting for those exploring the possibility of planting or beginning the journey and looking for a primer.
9 video-based sessions*

*Theological vision for gospel-centred, contextualised church planting. Particularly for those in the first two years of church planting
Tuesday morning webinar*

*Reading group engaging with Tim Keller's seminal text "Center Church." For anyone involved in planting or established ministry.
Second Tuesday evening of each month*

The logo for UMP Lite, featuring the letters 'UMP' in a large, bold, white sans-serif font, with the word 'Lite' in a smaller, white sans-serif font directly beneath it. The text is centered within a solid black horizontal oval.

The condensed Urban Ministry Program with highlights and insights for multi-cultural, multi-ethnic, multi-class ministry. Videos plus discussion with Duncan Forbes. Third Tuesday evening of each month.

Theological training

SEMINARY

Crosslands Seminary - a solid grounding in biblical theology strongly applied to mission and church ministry. 10 hours per week over 3 years unaccredited or 4 years accredited. Distance learning + seminar days and residential in person

The logo for the Union School of Theology MTh program, featuring the text 'Union School of Theology' in a white sans-serif font, with 'MTh' in a larger, bold, white sans-serif font below it, all on a dark blue background.

Union Master in Theology - a deep dive into enriching, Christ-centred, pastoral, reformed theological study. 2 modules per year over 3 years + dissertation. Individual study + 2 in-person intensive weeks per year

And for help with funding training...

Support
Raising

101

Getting started in developing partnerships and raising support, particularly focused on resourcing training but with wider principles. Free self-study course
